JOIN IN THE FUN!

Spring has arrived in the city, and the Easter Bunny has been busy getting their garden ready for the season. But oh no! Some cheeky little chicks have run off with some of the Easter Bunny's gardening tools and hidden them around the city.

Follow our map around the Cultural Quarter and look for the trail posters at each stop. Each poster has a missing gardening item. Write down each item you find on the back of this page, then head to our final destination where every child will receive a FREE small prize.
